Activities -

Over the course of the year, around 50 inter-house competitions were held, encompassing English and Hindi debates, declamations, collage making, singing, dancing, and a variety of sports activities. In acknowledgment of the participants' accomplishments, approximately 425 certificates were awarded throughout the session.

Remedial Classes -

Regular assessments were carried out, and based on the findings, remedial classes were instituted for slow learners from grades 1 to These interventions were designed to promote academic progress and enhance overall performance.

Workshops-

Nearly 40 teachers participated in a capacity-building workshop conducted by CBSE.

Two teachers attended a comprehensive seven-day artificial intelligence workshop at Jaypee University.

English teachers engaged in webinars hosted by Rachna Sagar.

Career Counseling-

Two career counseling sessions were facilitated by esteemed professors from Jaypee University for students in grades 11 and 1

Motivational Speech-

A riveting motivational session was delivered by Megha Parmar, the pioneering woman from Madhya Pradesh to conquer the summit of Mount Everest.
